

GUNGAHLIN 'BUSINESS OVER BREAKFAST' MEMBERSHIP APPLICATION

The Gungahlin Business Over Breakfast (B.O.B) group is a referral based networking group operating out of Gungahlin but for businesses Canberra wide. We are not exclusive to Gungahlin businesses, simply a networking group based in Gungahlin.

We would love to have you as a part of our group and be one of the key providers for business referrals for your business. Like all networking and marketing activities the success is dependent on the quality of the members, and the process around selecting new members. While we don't like a lot of admin, there is some information and general guidelines to be followed and all relevant information can be found in the Application.

Should you wish to apply to join this Gungahlin based networking group, simply fill out, and sign all sections of this form and return to the Membership Team or email to Tony at tony@tonyozanne.com for processing.

Thanks...Tony

GUNGAHLIN BUSINESS OVER BREAKFAST GENERAL GUIDELINES

Whilst this group is established as a structured referral based group following a set agenda and without too many rules, we do need to have some basic guidelines and expectations to make the group operate in accordance with the objectives set. Should any clarification to any of these points be required, do not hesitate to contact the Group Leader. The guidelines are designed to be fair and equitable to all members to ensure that the best opportunity exists for a group that provides a return on investment to its members.

- Only one person per business category will be permitted to join the group. The Group Leader and Membership team will deal with any conflicts.
- Weekly meetings will run for 90 minutes and follow a set agenda. Members must arrive on time and stay until completion.
- Attendance is critical to the group's success and the building of relationships. Whilst day-to-day challenges do occur, your commitment to the group forms a part of your membership. If you can't make a meeting, it is encouraged that a substitute takes your place. Where this is not possible, you can have up to 3 absences per 4-month period. Consistent non-attendance may result in your position being opened up to a waitlisted applicant.
- You are required to bring legitimate referrals and qualified visitors in accordance with our group goals (1 visitor per month)
- Members should commit time outside of the meeting time to build relationships and get to know other members via one on one catch-ups. It would be recommended that each member meet each other at least once per 6 months to understand their business better.
- Weekly speakers shall provide a 'door prize' not to exceed the value of \$30 when speaking.
- Members will not use the email database of the group for unsolicited or excessive correspondence or provide to third parties without permission.
- It is expected that members participate in leadership roles during their time within the group such as Membership and Group Leadership roles. For completing such roles, membership fees will be waived for the duration of the term. Meeting costs will still be applied.
- The Membership team is responsible for new member applications processing, member performance issues or category conflict matters. They are the first point of contact for such matters.
- Membership fees payable in advance for 4, 6 or 12 monthly terms are non refundable. Should a member leave, or be asked to leave due to lack of commitment no refund will be issued.
- All members are to be financially current with membership and meeting fees. Failure to be current will result in category being opened and attendance of meetings will not be permitted.
- General guidelines may change from time to time, and the group leader shall communicate such changes to members.

GUNGAHLIN BUSINESS OVER BREAKFAST ADMINISTRATIVE GUIDELINES

- **Membership is due 7 days upon application approval** and failure to pay will result in application and membership being cancelled.
- Renewal notices will be sent out 7 days prior to renewal date, and due 7 days after renewal date. Members can upgrade their membership term, or downgrade, but notice **MUST** be given the Membership Team prior to invoicing.
- **Meeting costs are payable for each month in advance**. Invoicing will be sent out at the start of each month and payable within 7 days. Failure to be current may result in membership being cancelled. Members joining mid cycle will be invoiced pro rata for the month.
- Should the group size become to capacity additional groups may be established on alternate days. These will operate under the same guidelines and will be an independent group. Businesses may nominate members to represent their business at additional groups, but membership must be from a different representative of the business, not the same person.
- Tracking and recording of weekly statistics i.e. attendance, referrals passed, closed business etc. is the responsibility of the Group leader and shall be made public at each meeting in accordance to the meeting agenda.
- Promotion of the group will occur via word of mouth, online i.e. website (in progress), Facebook, paid advertising etc. Members are encouraged to share and promote the group to others on their own networks, but overall responsibility comes to the Group Leader.
- All Invoicing will come from TE & SM Ozanne as Trustee for TSMJ Ozanne Family Trust, ABN 24 682 612 632.
